

South East Region

Squash and Racketball survey

Thank you for taking the time to answer these questions. This is the first of a series of questionnaires to determine if there's an increase in the frequency that you play either squash and/or racketball. The South East region need to report these figures to Sport England every six months and your club has volunteered to help collect the data. In return for your help, your club will receive additional support from ES&R – so, by filling out this form you're directly helping your club. The next questionnaire will be sent to you in May next year – it'll be almost identical to this one, so it won't take you very long to complete. Please return this form to your club representative (they will pass it on to ES&R).
